Delap LLP Introduces New Partner Douglas A. Brown

Lake Oswego, Oregon

Delap LLP is pleased to announce that Douglas A. Brown, CPA has joined Delap LLP as a Partner in the audit practice. “Doug brings a high level of expertise and experience in public accounting through his formal background and training,” states Dave DeLap, Managing Partner.

Doug has significant experience in managing large audit engagements for publicly and privately held businesses. He has worked extensively with early stage companies in many capacities, including capital raisings and financial due diligence. Doug’s background with early stage companies provides him significant experience with accounting for stock options, warrants and other complex equity instruments. “I look forward to being a leader in our Firm and assisting my colleagues in facilitating exponential growth for our people and our clients. One of the biggest rewards at our firm is that our people are committed to a balance of their priorities at home and within their careers- which allows all of us to do a great job and still have time for our personal commitments,” comments Doug.

Doug provides audit and consulting services to a broad range of clientele, specializing in closely held businesses, as well as the technology, investment, manufacturing and construction industries. His primary services are financial accounting, mergers and acquisitions, and general business advisory services.

Delap LLP is Portland’s 3rd largest local public accounting firm and has earned its reputation as a firm of quality, integrity, and job satisfaction through 75 years of service to the northwest community. Delap LLP provides a full range of services including accounting, audit, tax and consulting services across all industries to help businesses meet their strategic goals.
